7 CATEGORIES OF DEATH

PHYSICAL DEATH is the separation of the soul and spirit from the body (if believer) but soul only if unbeliever – it is the termination of the physical life. In the ancient times, God used it a tool for terminating the existence of rebellious people [Numbers 16:25-26].

Physical death is a matter of divine sovereignty based upon his perfect integrity and omniscient knowledge of all the facts, details, and information of every person in the entire human race [Psalm 68:19-20].

God prolongs life for certain believers who change their mental attitude toward God and His Bible doctrine –so that they can begin their daily advance toward spiritual maturity [Psalms 102:19-24, 118:18, Proverbs 14:27]. God delivers the spiritual mature believer from physical death designed by Satan [Job 5:20, Psalms 33:19, 56:13, 116:8].

The Church Age believers will depart from this world in one of the three types of physical death: 1) dying grace, 2) common or natural death 3) sin unto death. Dying grace makes death a promotion for the mature believer [Philippians 1:21] while sin unto death is the painful death for the carnal, the backsliders or ρεπερσιονιστ believers.

Physical death is something that cannot be faced when the norm and standards function of τη καρδια is destroyed by carnality or deep-rooted ρεπερσιονισμ [Lamentation 1:19-20]. The sin unto death does not bring glory to God in time and in eternity [Isaiah 38:18]. Women specially must be taught to face the death of loved ones [Jeremiah 9:20-25]. Believer must seek dying grace and never worry about God's provision and protection because God provides in dying grace but withhold in sin unto death [Psalm 23:4].

SPIRITUAL DEATH is the natural man position before God from birth to physical death [or regeneration if believer]. The spiritually death person is said to be alive physically but spiritually death before God, possessing Αδαμικ original sin and old sinful nature [Genesis 2:17, Proverbs 14:12, Ezekiel 18:20, Romans 5:21, 6:23, Ephesians 2:1,5, 1 Corinthians 15:22].

SECOND DEATH is the perpetuation of spiritual death into eternal separation from God of those who have rejected the plan of grace. The final judgment of the unbelievers and fallen angels whereby they are cast into the Lake of Fire forever [Matthew 25:41, Hebrews 9:27, Revelation 20:12-15]

POSITIONAL DEATH is part of the baptism of the Holy Spirit, which identifies all believers with Christ in His spiritual death on the cross and shares His strategic victory [Romans 6:3-6, Colossians 2:12, 27, 3:3].

OPERATIONAL DEATH is the failure of the carnal and ρεωερσιονιστ believers to produce divine good under the influence but instead are under the heavy influence of evil. The believer is under prolonging ρεωερσιονισμ [James 2:26, 1 Timothy 5:6, Ephesians 5:14].

TEMPORAL DEATH is the status of believer in carnality being out of sweet fellowship with God because of personal sins or habitual sins but enjoying the world's viewpoint and satanic pleasures [Romans 8:6, 13, Ephesians 5:14, 1 Timothy 5:6, James 1:15, Luke 15:24].

SEXUAL DEATH is the physical and biological disability to have children [Romans 4:17-21].
