## **CHRIST IS THE CENTER OF HUMAN HISTORY**

The center of human history events (geographically) is the nation of Israel because the Jews are the apples of the eye of God. However, Christ is the center of human history. Remove Jesus Christ and nothing is left to man.

With a view to an administration suitable to the fullness of the times, that is the summing up of all things in Christ, things in heavens and things upon the earth. In Him also we have obtained an inheritance having predestined according to His purpose that works all things after the counsel of His will [Ephesians 1:10-11].

The material things of the world are not the concern of God. He created the earth and all the things in it for the benefit of man. God is not the benefactor of the creation. The phrase ALL THINGS IN CHRIST refers to exclusive members of the human race –that is, the believers in time and in eternity. The material creation is not important to God as much as the souls of men. God send His Son to die for men not for material things of the world.

And He put all things subjection under His feet, and gave Him as head over all things to the Church, which is His body, the fullness of Him who fills all in all [Ephesians 1:22].

All the souls of all men (whether you like it or not) are under the absolute sovereignty of God. God must be the object of worship because He is the Creator of all things and all creatures. He provided salvation whether you believe or reject Him as Savior of your soul. He is the only Savior.

The meaning of life is Jesus Christ not the success in the world. The real success is doing the purpose and will of God not material prosperity or riches gained by human genius. Therefore, there is no real success without Christ in your life.

Because Christ is the Creator and He created all things, both in the heavens and on earth [Colossians 1:16], therefore, there is only one reason for the existence of all things- no other than Christ Himself. In the same manner, no seat of power, dominion or any type of rulership, visible or invisible, this is not created through Him and unto Him.

Christ is the Head of the visible body of the regenerated people in time called the Church and He is the Head of the spiritual kingdom of God. He alone has the preeminence among the entire human race –able not to sin and not able to sin. God created only "One" genuine Church but men created too many churches that lead nobody to heaven. It can lead only to self-destruction. The universality of the Church does not automatically include the membership of the entire human race [Colossians 1:17-18]. There is no means of reconciliation other than the finished work of Christ on the cross of Calvary [Colossians 1:20]. What you think of Christ is not important and it does not affect in any way the reality of perfect work of God. The perfect plan of salvation is not dependent on human perception or opinion.

Everything that comes into being and everything that occurs are decreed by God to happen. No events ever occurred apart from the sovereign will of God. Some things happen because God allows it to occur based on human volition. Some things God directly cause apart from human freewill or contribution. But nothing will ever happen apart from the perfect will of God.

During the Great Tribulation, God will lift His restraining power over mankind. Man will experience the worst kind of destruction that results from human volition that went out of control. Human free will that is left to do its desire without restraint will result to chaos and destruction. Human history left to its own is dangerous and fatal. To reject God and His plan of grace is self-destruction.
