NATIONALISM

Gen 10:5

(From these the maritime peoples spread out into their territories by their clans within their nations, each with its own language.)

Gen 10:32

These are the families of the sons of Noah, after their generations, in their nations: and by these were the nations divided in the earth after the flood.

Gen 11:4

Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves and not be scattered over the face of the whole earth."

Gen 11:7-8

Come, let us go down and confuse their language so they will not understand each other." So the LORD scattered them from there over all the earth, and they stopped building the city.

Deut 32:7-8

Remember the days of old, Consider the years of many generations: Ask thy father, and he will show thee; Thine elders, and they will tell thee.

When the Most High gave to the nations their inheritance, When he separated the children of men, He set the bounds of the peoples According to the number of the children of Israel.

Acts 17:26-27

From one man he made every nation of men, that they should inhabit the whole earth; and he determined the times set for them and the exact places where they should live. God did this so that men would seek him and perhaps reach out for him and find him, though he is not far from each one of us.

. Divine Institution Number Four--Nationalism.

1. If the entire human race were under one rule prior to the Millennium, it would self-destruct. Internationalism is outlawed as being evil by the Word of God.

2. To perpetuate the human race and bring history to its logical conclusion, God has designed the nation to protect the freedom and rights of X-number of people on this planet. We call this nationalism. Only one language should be recognized in a nation.
3. With the divine judgment of the original united nations at the tower of Babel, the human race was then divided into nations. This division was originally based on racial, geographical and linguistic norms.
4. As the human race continued in history, true racial distinctions were obliterated in the rise of civilization. Thus, racial purity is a myth except in pristine areas. Race is used by politicians to create false issues.
