### **The mechanics of Pseudo Happiness:** (How Satan prospers those who are serving him)

**Pseudo happiness is the temporary triumph of evil in the human soul. The pseudo happiness can easily evaporate in times of disaster, fear, anxiety, and worry.**

**The stimulus for human emotions:** Satan uses the old sinful nature to process the mental attitude of sins (like greed, envy, jealousy and etc) to motivate the individual for success in the world. Satan depends on the free will volition of every individual to follow his principles.

**The cosmic system** bombarded the individual with satanic principles of good and evil. The cosmic system entertains every follower of Satan until they become full pledge slave trapped in his destructive scheming.

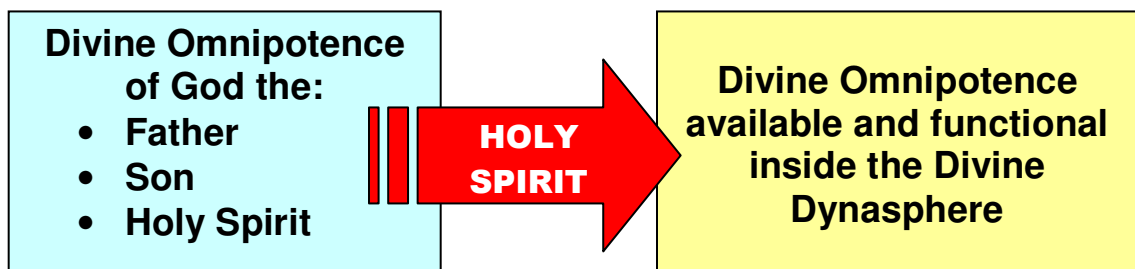

**Pseudo-happiness** that comes from the world is the only thing Satan can provide his avid followers.

Perfect happiness is the happiness of God, which He desires to share with the members of the Royal family of God because of the Lord Jesus Christ who victoriously used it in His perfect humanity. God mandated that we must execute His Perfect happiness by reaching spiritual maturity. Perfect Happiness depends on Bible doctrine in the soul not on anything outside the believer. Perfect happiness is something you think, not something you do.

**The Church Age believer attains Perfect happiness through the omnipotence of God.**

- Utilizing the Perfect happiness of God is the only way to live and the only way to die.

- The believers totally set aside the cosmic power and replace it with divine omnipotence.
- The “strength” (endunamounti) of the spiritually mature believer inside the divine dynasphere is the omnipotence of God (Philippians 4:13).
- “Endunamounti” is literally translated “through Him who makes me strong”.
- The “all things” of Philippians 4:13 refers to the three stages of spiritual adulthood namely: spiritual self-esteem, spiritual autonomy and spiritual maturity.
- The phrase “makes me strong” refers to perfect happiness which is the “maximum strength” that God has provided to the humanity of the Lord Jesus Christ.
- The same maximum strength (perfect happiness is available to every member of the Royal Family of God.
- The “strength” (the utilization of divine omnipotence) of the spiritual mature believer depends on his learning that power through Bible doctrine.
- The believer inside the Divine dynasphere has the capacity to pass all the undeserved sufferings evidence testing of spiritual adulthood.
- The spiritually mature believer under evidence testing overcomes every testing without being unhappy.
- Unhappiness from all sources does not affect the Perfect happiness of the spiritual mature believer inside the divine dynasphere.
- The omnipotence of God the Father provides the portfolio of the invisible assets.
- The omnipotence of God the Son sustains the believer in the divine dynasphere.
- The omnipotence of God the Holy Spirit teaches the believer with Bible doctrine.
- Pseudo happiness is putting a façade of happiness without genuine humility. Genuine humility comes from organized life in spiritual adulthood. It is the fantastic spiritual dignity that carries with it perfect happiness.

Accurate translation of Philippians 4:12-13:

In any and every circumstance, I have been initiated (memuamai – learned) how to be filled, how to be hungry, how to be prosperous and how to suffer need. I have the power to attain all things through Him, who makes me strong.
