

Pleasant Hill Christian Church

What are we?

A non-denominational Church unbound by any denominational or sectarian hierarchy.

An assembly guided, led and instructed by the Word of God and the Holy Spirit.

A church that communicates the Word of God from the original languages of the Scripture.

We focused on learning Bible doctrine rather than church programs, activities and missions.

We respect the privacy of fellow believers to concentrate in studying Bible doctrine.

We practice and apply what the Word of God teaches and rejecting all extra-biblical teachings.

We have no admiration for any preacher, institution, mission, denomination, and seminary that reject Bible doctrine.
