

Predestination means:

- There is a perfect plan for you (Eph. 1:11)
- The possession of your own individual plan (Rom. 8:29)
- The CAB is a member of the Royal family of God (Eph. 1:3-6)
- The CAB is permanently in predestination
- God designed the life on earth as futility and emptiness in order for men to realized there is much more beyond existing for the world.
- God put emptiness in the soul of men that He alone can fill up to completeness.
