

Pre-designed Plan of God (PPOG)

Is the strict procedure based upon the accurate teaching of Bible doctrine, that is doing the right thing in the right way...

- **Wrong thing + wrong way = wrong**
- **Wrong thing + right way = wrong**
- **Right thing + wrong way = wrong**
- **Right thing + right way = right**
- Only the right thing done in the right way is right before God.
- The end does not justify the means unless the mean is the function of divine power inside the PPOG – Eph. 5:15-18
