THE INVISIBLE ASSETS

The protocol plan of God set forth the royal way of life that God expects of the Christian because of the exalted position in Christ. The mystery doctrine unveils the Church Age with all its divine assets and mandates which define the Christian's way of life.

These three marvelous benefits of our heavenly citizenship are parts of a larger picture. They belong to a portfolio of invisible assets that God the Father designed in eternity past for every Church Age believer. The term portfolio refers to the holdings of an investor synonym for his riches.

God has lavished the riches of His grace upon the believers, making each of us fabulously wealthy (Ephesians 1:3-8, 3:18, Philippians 4:19). The Church Age believer is a citizen, and that implies extreme wealth. Our citizenship (politeuma) is in heaven (Philippians 3:20), and our portfolio is described as including "every spiritual blessing in the heavenly places" (Ephesians 1:13). This emphasizes the source of these fabulous blessings who is God the Father and the process or mechanic of receiving them (only through Christ).

"Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ" (Ephesians 1:3)

"To whom God willed to make known what is the riches of the glory of this mystery among the Gentiles, which is Christ in you, the hope of glory" (Colossians 1:27).

These portfolios of invisible assets can be categorized by using worldly terms, which we understand. Ephesians 1:1-6 categorized these assets into primary, secondary and personnel.

- Primary assets
 - Escrow Blessings
 - Election & predestination blessings
- Secondary assets
 - Volitional assets
 - Production assets
 - Undeserved suffering
- Personnel assets
 - Spiritual gifts

The Church Age believer's glorious destiny and immeasurable riches are exceeding abundantly beyond all that we ask of think (Ephesians 3:20). The Bible reveals them in many glimpses and increments; they must be explained in numerous ways and from various points of view.

The escrow blessings are designed to motivate the Church Age believers to aim for spiritual maturity. In escrow blessings, the Grantor is God the Father who in eternity past deposited

in heaven vast wealth indented for the Church Age believers. The Lord Jesus Christ was designated as the Escrow Officer who will distribute the escrow blessings at Bema when the Grantee, (believers) reach spiritual maturity.

The election and predestination assets guarantee the existent, function, and operation of the believer in the hostile world. It is designed for the growth and momentum of the believer inside the divine sphere. The positive volition of the believer is a tremendous assets when combine with spirituality. Negative volition on the other hand is great liability and a very dangerous enemy.

Undeserved suffering is an asset with tremendous blessings for the positive volition believer. It accelerates and promotes the suffering saints right under the nose of Satan. We are going to study these tremendous assets in the following pages of this book.
