THE MAN JESUS

THE BIRTH OF JESUS: The Lord Jesus was born not on December 25, 1 A.D. because of several reasons:

December is wintertime in Palestine area and of course, the sheep and shepherds cannot be in the open field at nighttime as mentioned in the Bible narrative.

The newly born child would freeze to death if wrapped only with thin cloth.

The census all-over the Roman Empire was implemented 40 days after the Emperor Tiberius decreed it when he visited

It was the Bishop of Rome (Λιβερτινυ the fox) who officially proclaimed in 354 A.D. that Christmas be celebrated on such day.

THE PERFECT MAN: Jesus Christ must become true humanity because of 4 reasons that no other person can fulfill. He became a genuine humanity in order to be the Savior of the human race, to die on the cross of Calvary and to be mediator between God and man. He became a genuine man to become our great High Priest forever and to rule as the Son of David during the millennial kingdom.

He had to become a man in order to take our place (of condemnation before God). It was man (Adam) who sinned; therefore, it must be man who must pay the penalty of sin. For until a Man can stand in the presence of God, no man can stand in the presence of God.

He had to be a Man because it is impossible for the deity to die. It is impossible for deity to suffer spiritual death (that is to become sinful before God). It is impossible for the deity to be separated from God and from His essence.

While Jesus was on the cross, God the Father poured out $\alpha\lambda\lambda\ \text{H}\iota\sigma$ wrath against sin on Him who has no sin. God the father poured His wrath on Him while His humanity was separated from God, that is- while He was spiritually death.

The acceptance of Christ as a Man meant the acceptance of His sacrifice. The acceptance of His sacrifice meant the acceptance of all those who seek entrance into the presence of the Father through Jesus Christ [Ephesians 2:8-9, Hebrews 1:13, Psalm 110:1, 1 Peter 3:22].

Christ as the SECOND ADAM has no $\text{A}\delta\alpha\mu\tau\chi$ original sin –without the old sinful nature (AOS & OSN), He is the unique begotten Son of God and the unique God-Man- perfectly impeccable. Because of Jesus the justice of God is freed to bless man. Jesus is the only Person born spiritually alive and by His own

volition chose to die for man. He is the only Man equal with God. He is the only Man equal with man, and the only man accepted and approved by God.

It is impossible to produce a biography of Jesus Christ due to very limited materials provided by the writers of the Gospels. As believers, we cannot accept the non-Christian and pseudo-Christians materials. All the Gnostic and extra-canonical materials are misleading and heretical.

Jesus Christ is the only unique Person in the entire universe for several reasons:

He was born spiritual alive and became spiritually death only for 3 hours while hanging on the cross.

He was born without the old sinful nature and He died by His own will. He was tempted more than all the men and women in this world but He ascended to heaven without committing a single sin. His death on the cross (His spiritual death) gives eternal life to those who comes to Him by faith in Christ alone.
