

What is a Disciple of Christ?

**One who is taking responsibility for his
Personal decision and action**

- **Courageously faces the consequence of his decision.**
- **Refusal to listen to what men are saying.**
- **Refusal to be under the control of emotion.**
- **Taking responsibility is a proof of growth as human beings and spiritual beings.**
- **Putting everything under the grace policy of God and leaving nothing for satanic policy to work with.**
