

The Fallacy of Spiritual Growth

06

Fallacy 6: God provided the church for the “Christians” in order to achieve spiritual growth and maturity by works.

Truth: God provided the Church Age Believers the equipping grace as the means for attaining spiritual maturity:

- a. The Word of God – the revelation of God
- b. The communication of – divine instruction (Eph 4:11-12)
- c. The local church – the classroom Hebrew 10:25
- d. The Holy Spirit – the Teacher John 14:26

Argument: True spiritual services for God is only by means of application of metabolized Bible doctrine. Eph. 2:10 , 3:18
The most horrible crisis in the spiritual life is the lack of Bible doctrine in the soul.
