

The Reality of Spiritual Growth

01

The basic concepts of spiritual growth is not doing something (human good works) but thinking something (Bible doctrine).

When the soul is “armed” with Bible doctrine:

- a. The Lord is glorified
- b. The believer is edified
- c. The divine good is amplified
- d. The grace of God is magnified

Please don't starve your spiritual life to death by rejecting to receive, retain, & recall Bible doctrine!
