

# The Reality of Spiritual Growth

02

God has provided everything we need pertaining to life (things we need to survive in the world) and godliness (things we need to execute the spiritual life and reach spiritual maturity) 2 Peter 1:3

The purpose of our existence on earth is to know, understand, accept, receive and then enjoy what God has for us, and all of that are possible only through consistent, systematic, and progressive intake of Bible doctrine on daily basis.
