

The Reality of Spiritual Growth

11

Spiritual Growth is a Process Carry Out by the Holy Spirit Through the Renewing the Mind

Renewal of the mind means:

Constant, progressive and significant change of thinking,
Continuous change of the mind by repetition of Bible teaching,
The change of mind occurs while the edification complex of the
soul is on construction,

The spirituality of the believer is becoming real, and the Lord
Jesus Christ is becoming real to him.

THE CHANGE FOLLOWS THE LORD JESUS CHRIST AS THE PATTERN:

From cosmic (things of the world) realm to heavenly realm

From human viewpoint & solution to divine solution

From using cosmic power to using divine power

From human assets and resources to spiritual invisible assets
