

RESTING IN GOD'S REST

02

We must be diligent to enter God's rest (Heb. 4:3, 10-11)

To be diligent (spoudazo) in the intake of Bible doctrine

Faith –rest is having the Word of God as the center of your faith
(the object of faith is the Word of God)

A life without God's Word (Bible doctrine in the soul) is not living

Only one thing can sustain a person in particular..

Only one thing can sustain a person in general...

..that is the Word of God in the soul.

**A life consistent with the will of God is a life consistent
with the Word of God!**

**A life consistent with Bible doctrine is a life yielded to Bible
doctrine and the Holy Spirit!**
