

Giving Up the dung (skabula) of the world...

Worldly skabula (human glory & celebrityship)
amassed by the energy of the old sinful nature,
counted as loss for the sake of the
Lord Jesus Christ!

Things that are fantastic gains & fabulous
advantages in the temporal realm are worthless in
the spiritual realm!

“I keep counting as loss” = meaning that the apostle Paul
kept on having to apply consistently the principle to his
spiritual life, again and again (consistency w/ repetition).
