

The Shame at the Judgment Seat of Christ

IS THE RESULT OF:

1. Failure to use the positive volition toward Bible Doctrine
2. Failure to attain knowledge (epignosis) of God
3. Living a self-motivated (instead of divine motivated) life
4. Laziness to study Bible doctrine on consistent basis
5. Failure to use the portfolio of invisible assets
6. Loving the approval and appreciation of men
7. Rejection of Bible doctrine in four phases
8. Loving the world and the things of the world
9. Engrossing self in the worry of the world
10. Not resisting the allurements and enticements of the world
