

Divine Guidance comes from..

- 1. Objective thinking from metabolized Bible doctrine**
- 2. Continual perception and reception of Bible doctrine**
- 3. Providential circumstances that forces man to change his human viewpoint to divine viewpoint**
- 4. Humility in obedience in continual advance toward the objective of spiritual maturity**
- 5. Comparing facts with spiritually mature believers**
- 6. Continuous and progressive recall of Bible doctrine**
- 7. Disasters that forces us to focus on God**
