

Faithfulness...

- God regards more the faithfulness which we work than the amount we do.
- God looks to see:
 - how much of His Word is applied
 - How much of His Spirit is cherished
 - How much of His power is utilized
- Sincerity without Bible doctrine is hypocrisy.
- Self-dedication without the Filling of the Holy Spirit is futility.
- Sacrifices without the Filling of the Holy Spirit and Bible doctrine in the soul is vanity of human good.
