4. It demands man's volition to reject evil.
5. All human good is application of evil.
6. Resisting evil is a lifetime task.
7. Only volition with Bible doctrine can resist it.

Characteristic of Evil ...(2)

8. Evil starts with a thought
9. Thinking evil can be avoided by FHS+MBD
10. Operational & functional virtues minimizes
11. The only genuine protection from evil is in residence, function & momentum in PPOG
12. Involvement in human good intensifies evil.
13. Reversionists led Christians into evil. 1 Cor. 15:33
14. The Lord strengthens believer from evil by means of Bible doctrine.

The influence of evil

always have a price to pay...

- **Everyday we take hold of horrible things from Satan called evil.**
- **Everyday we make many stupid decisions.**
- **Everyday we love grabbing what Satan offers.**
- **Everyday we make spiritual defeat inevitable by giving in to Satan's policy of evil.**
- **Everyday we fail to overcome evil by divine good.**

Man's greatest test is the test of evil

The essence of evil is...
Independence from God

- Anything a man does by his own power and resources**
- **Anything a man does apart from divine policy & plan.**
 - **Anything a man does contrary to the will of God.**

**Man was never intended to function
independently of God**
